Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: As noted by Applicant, a dated Applicant's prelim admendment had not been reflected in the received first action. This outstanding preliminary admendment to the specifications has been resent (faxed to examiner) and is to be re-entered in the file. Also sent by Applicant is a copy of the original acknowlegde receipt by the PTO agency pertaining to above pre-lim admendment which appears to have been misplaced and never entered in the case. This amendment is not affecting the claims therefore will not affect the first action mailed out to Applicant prior to the above realization by Applicant .
